Dear Parent,

The church has put in place a Child Protection Policy and part of that Policy includes “Guidelines for Parents”, a copy of which I have pleasure in enclosing for your information.

Our Child Protection Policy amounts to a voluntary undertaking to meet the highest standards possible in relation to children’s safety, even though we are not at this point legally obliged to have such a policy. By adopting a policy now, we have been able to comply with the highest standards of the law and at the same time, put the care of our children firmly and squarely in the context of our vision and values and a biblical framework.

If you have any questions about the details of our policy then please don’t hesitate to speak with us.

With every blessing,

Peter and Noni Farrelly  
Senior Pastors
